Digital Marketing Manager | Performance Marketing • SEO • Lead Generation | Ex-Software Engineer

Coimbatore, Tamil Nadu | 9994279976 | rppriya@gmail.com | <https://www.linkedin.com/in/shanmugapriyadineshkumar/>

PROFILE SUMMARY

Digital Marketing Manager with 3+ years of hands-on experience in Meta Ads, Google Ads, SEO, WordPress website management, and lead generation, backed by 4 years as a software developer and 3+ years of entrepreneurial business ownership. Combines analytical, technically-grounded thinking with creative campaign and execution to plan, build, and scale digital presence end-to-end — from writing the code behind a client's website to running the ad campaigns that drive its leads.

KEY ACHIEVEMENTS

- Grew Instagram/Facebook following from 1K to 4K while managing engagement and lead-generation campaigns that delivered quality leads at a low CPL through A/B-tested creatives and audience segmentation.
- Achieved top SERP rankings for the BTS360 website for 13 keywords through structured on-page, off-page, and technical SEO.
- Designed and built two company websites from scratch on WordPress (Icon Innovative Solutions, Catchu Academy) — covering UI/UX, SEO setup, and Google indexing — taking each from concept to a live, conversion-focused site.

KEY CAMPAIGN ACHIEVEMENTS

- Generated 32 leads for Pentool Auto Equipment as a freelance marketer in 6 days at a ₹11.90 CPL, with approximately 80% identified as quality prospects.
- Delivered 271 messaging conversations for Agri Machineries Mart in 30 days at an efficient ₹17.29 cost per result through targeted Meta campaigns.
- Generated 42 form leads for Sri Hari Tractors at a ₹11.75 CPL through optimized Meta lead-generation campaigns.
- Managed a DTC e-commerce Meta Sales campaign with an average budget of ₹500/day, driving 45 purchases and approximately ₹27K in attributed revenue at 1.8x ROAS; optimized creatives, audiences, and the purchase funnel to improve campaign efficiency and reduce cost per purchase.

EXPERIENCE

Primary Role

Digital Marketing Manager | Icon Innovative Solutions

Jan 2026 – Present

- Lead end-to-end digital marketing strategy for clients across agriculture, manufacturing, education, hospitality, real estate, and B2B sectors.
- Plan, execute, and optimize Meta Ads and Google Ads with a focus on lead generation and performance marketing, tracking CTR, CPC, CPM, CPL, CPA, and ROAS.
- Handle end-to-end digital account onboarding for new clients, including creating and configuring business accounts, adding client assets to the Business Portfolio, obtaining required access and permissions through Meta Business Suite, and setting up advertising and business assets for campaign execution.
- Set up and configure Google Business Profiles for new clients, including profile registration, business verification, information setup, and optimization for local visibility.
- Designed and implemented lead automation workflows using Meta Lead Forms, Pabbly Connect, Google Sheets, and WhatsApp/ChatFlow, automating lead capture, follow-ups, and qualification workflows.
- Work directly with clients throughout the campaign lifecycle—from requirement gathering and strategy discussions to lead-quality analysis and sales feedback—to optimize marketing performance.
- Manage Facebook, Instagram, and other social platforms, including content strategy, monthly content calendars, and Reels planning.
- Lead and coordinate designers, video editors, content writers, and developers to execute integrated campaigns.
- Designed and built the Icon Innovative Solutions website from scratch on WordPress — structure, page design, content integration, and responsive optimization — to create a professional, conversion-focused online presence.
- Execute on-page, off-page, and technical SEO, including keyword research, audits, competitor analysis, and Google Business Profile optimization; report performance using GA4 and Google Search Console.
- Set up and configured GA4, Google Tag Manager, Meta Pixel, and Google Search Console for the website, including tracking and measurement setup to monitor user behavior, website conversions, traffic sources, and campaign performance; used these insights to support SEO and paid-media optimization.
- Align creative, content, advertising, SEO, automation, and sales feedback toward measurable business outcomes.

Concurrent Freelance / Consulting Clients

The following are active freelance and consulting engagements run alongside the primary role above, each on a part-time or project basis:

Digital Consultant | Centroid Engineers (P) Limited

Aug 2025 – Present

- Support Meta Ads campaign management and WhatsApp marketing; provide SEO guidance, audits, and digital strategy input.

Digital Marketer (Freelance) | Inglow Talent Developers

Apr 2026 – Present

- Manage digital marketing for an education and training brand — Google Business Profile optimization, WhatsApp marketing, and Meta performance campaigns for admissions and lead generation.

Digital Consultant (Freelance) | Pentool Auto Equipment

Jul 2026 – Present

- Manage Facebook and Instagram marketing and run Meta lead-generation/awareness campaigns for industrial products.

Prior Roles

Performance & Digital Marketing Specialist | Catchu Academy

Aug 2025 – Dec 2025

- Designed and built the Catchu Academy website from scratch, handling UI/UX, content, SEO setup, and Google indexing.
- Managed content across three Instagram brand pages, driving consistent engagement and follower growth.
- Planned and executed campaigns for 3–4 businesses under the Catchu Academy umbrella, generating high-quality leads through targeted advertising, SEO, and content marketing.
- Hosted webinars and online sessions to promote courses and grow the brand's community.

Digital Marketing Associate | BTS360

Jan 2024 – Aug 2025

- SEO: achieved top SERP rankings through structured keyword research, backlinking, and off-page SEO; tracked performance via SEMrush, Google Analytics, and Rank Math SEO.
- Website management: led design and ongoing optimization of the BTS360 WordPress site; resolved 500/400 errors, slow load times, and broken links; kept the site mobile-responsive and SEO-friendly.
- Content: created SEO-optimized blog and landing-page content and designed campaign creatives (posters, carousels, reels) in Canva on a consistent monthly content calendar.
- Ad campaigns: ran Instagram/Facebook lead-generation campaigns with low CPC and strong engagement, including a standout campaign for Megasarovar, a real estate project in Gollapudi.
- Team management: lead the digital marketing team for the Snow Kingdom account under BTS360 — planning campaigns, assigning roles, and setting timelines.
- Mentoring: trained and mentored college freshers and career restarters in digital marketing fundamentals, with daily task tracking and real-time feedback.

Freelance Digital Marketer | Esha Creations, Madurai

Jul 2023 – Aug 2025

- Built the social media strategy and content calendar for a bridal jewellery rental business.
- Grew Instagram/Facebook following from 1K to 4K while managing engagement and lead-generation campaigns that delivered quality leads at a low CPL through A/B-tested creatives and audience segmentation.

Entrepreneur / Business Owner / Freelance Makeup Artist

2012 – 2022

- Ran Pushpam Silk Creations, consulting with clients on custom silk-thread and bridal jewellery.
- Worked as a freelance makeup artist for bridal, ad, and studio shoots, building strong client relationships.
- Promoted both ventures through hands-on digital marketing, expanding the client base and service offerings.

Software Engineer | Mphasis, an HP Company

2006 – 2011

- Delivered complex coding projects independently, resolved critical bugs, and conducted system testing, earning client accolades.
- Recognized for technical presentations, code reviews, and mentoring while maintaining high coding standards.
